R. RANDALL CHOSEN AS PRESIDENT OF ATHLETIC CLUB

Gymnasium Class Will Start Wednesday Night; Change in Meeting Time

The election of permanent officers and the organizing of gymnasium classes under the direction of Rex Randall were main features of the regular meeting of the Glendale Athletic club, held at 111 East Broadway last night.

Permanent officers elected for the club are: Rex Randall, president; W. R. Letton, vice president; M. E. Glenn, secretary; Walter Dodge, assistant secretary; M. H. Finn, treasurer; L. E. Thompson, Urban Schofield, R. C. Evans, C. B. Hooker, Ira J. Herbert, Roy Selover, directors.

Gym Class to Start

The meeting was well attended and several members signed to join the gymnasium class to "jump through the hoops" every Wednesday night in the high school gymnasium, the first workout to be given tomorrow night at 7:30 o'clock. Rex Randall was chosen to set the pace in calisthenics and at the meeting last night promised to give his followers some strenuous exercise.

A meeting of the board of directors has been scheduled for next Friday evening at which time the routine business of adopting the constitution and by-laws will be dispensed with and other matters of the club given consideration.

The meeting night of the club was changed from Monday to Wednesday night, the first regular meeting of the organization under the new administration to be held one week from tomorrow night, the place to be announced later.

Mrs. Colin Cable Is Hostess Club Section

The Shakespeare section of the Tuesday afternoon club met yesterday at the home of Mrs. Colin Cable, 555 South Columbus avenue, with twenty members present. From noon until 2 o'clock the members who will take part in the club program which is to be given by the section under the direction of Mrs. Ralston, rehearsed their parts in "The Midsummer Night's Dream."

At 2 o'clock the business meeting was called to order by the curator, Mrs. A. H. Montgomery. Plans were discussed for the bazaar, which will be given early in December by the club. Following this the second act of Richard II was read, and two new members were taken into the section. At the close of the meeting delicious refreshments were served by the hostess.

The next regular meeting of the Shakespeare section will be held the third Monday in November at the home of Mrs. Bert Ward, 451 Myrtle street.

City Treasurer Gets Call on \$50,000 'Deal'

City Treasurer J. C. Sherer supposedly is on a two weeks' vacation. But yesterday he was called back to the city hall to sign \$50,000 municipal improvement bonds for district No. 3.

Now Mr. Sherer is using his vacation to good advantage, it is said. He is planting winter garden and getting acquainted with a motor car which he recently purchased.

In the good old days Mr. Sherer drove a white horse. It died and he took to a bicycle, but conditions have changed so that he believes riding in a motorcar is much safer.

W. M. ALLEN FAMILY HERE
Dr. and Mrs. Roy V. Hogue of 329 North Jackson street are enjoying a visit from Mrs. Hogue's brother and sister-in-law, Mrs. W. M. Allen and family, Miss Helen Allen, Willard Allen and Vera Allen of Tucson, Ariz. Mr. and Mrs. Allen were former residents of Glendale, and after Mrs. Allen had an attack of influenza they found it necessary to move to Arizona on account of her health. However, she is much improved now and they are contemplating returning to Glendale at some future date and making their permanent home here.

William Fagin, Who Has Crossed Continent 7 Times, Celebrating His Ninetieth Birthday

William Fagin of 1125 East California street is today celebrating his ninetieth birthday. He was born in Cork county, Ireland, in 1831, and spent the first forty years of his life in that country. Fifty years ago he came to the United States and located in the wheat farming country in the state of Washington. He was very successful, retiring quite wealthy, fifteen years ago. During these years he seven times made the trip to the eastern coast and crossed

the ocean to visit Ireland. His family, are all in the old country, with the exception of two nieces, in New Jersey, who visited him recently. He came to Glendale in March, planning to spend some months at Mrs. Anderson's rest home and was enjoying good health, but he suffered a stroke of paralysis in the month of June and was ill for some time. He has, however, made quite a remarkable recovery for one of his years, is walking around and still improving.

BUILDING PERMITS FOR MONTH OVER \$140,000 MARK

Total for Year Now Standing at \$4,271,020; Numerous Projects Under Way

More than \$140,000 in new building permits were issued in Glendale up until noon today. Glendale's total for the year now stands at \$4,271,020. It will be noted by these figures that the average day's permits amount to \$20,000, only one in a score being for commercial or industrial purposes.

It may be readily realized that Glendale is the fastest growing "home town" in America for its class. However, it is hoped by building enthusiasts to have several big projects under way within the next fifty days so as to bring the total close to \$6,000,000.

Mass Meeting Will Be Held Tonight to Discuss School Site

The second general mass meeting to discuss a new high school site will commence about 7:45 o'clock tonight in the high school auditorium. Dr. Harry V. Brown, president of the high school board of trustees, who will preside until the selection of a chairman for the evening, stated this morning that he knew of no new development in the situation, and that no property owners had complied with the board's official request and submitted options for consideration.

"So far no new sites have been brought in," declared Dr. Brown. He admitted that the site at Broadway and Verdugo road might be lost if negotiations were protracted too long and stated that it seemed of paramount importance that the question should be settled as soon as possible before available sites are subdivided.

Dan Campbell, also a member of the high school board of trustees, remarked yesterday that he expected to attend tonight's mass meeting. "I suppose really the trustees ought to take this thing into their own hands and settle it," he said. "I think the only way is to put all the sites on the ballot and let the voters select one. I think the mass meeting will agree to that."

PHONOGRAPH IS STOLEN

Mrs. D. W. Cunningham of 725 Glenwood in Grand View entertained Sunday with a charmingly appointed 11 o'clock breakfast, served under the beautiful pepper trees that form one of the many attractions of her lovely ranch home. The breakfast table was decorated with a very artistic combination of pink roses and delicate lavender colored chrysanthemums. Small tables were also arranged under the trees in a very attractive manner, with potted ferns and cut flowers, enhancing the beauty of the natural greenery.

The guests were Mr. and Mrs. Albert Larsen, Mrs. Jennie Wachters, and her house guest, Mrs. Samuel Mays of Chicago, Mrs. Anita Anderson, and son, all of Glendale; Mrs. Emily Lawrence of Los Angeles.

MISS ALMA PARDON HONOR GUEST AT SURPRISE PARTY

Miss Marion Gamble and Her Mother, Mrs. W. S. Gamble, Charming Hostesses

Miss Marion Gamble, assisted by her mother, Mrs. W. S. Gamble, was hostess at a surprise party and lingerie shower given at her home, 125 West Los Feliz road, last night in honor of Miss Alma Pardon, who is soon to become the bride of Joseph Walsh.

A color scheme of green and gold was carried out in the floral decorations of yellow pompon chrysanthemums in the living room and in the table decorations in the dining room. The table was centered with a banquet of marigolds. The place cards, to which were attached favors of yellow rose-buds, in the center of which were tiny kewpies, and crepe paper napkins further carried out this note of color.

Invited Guests

During the evening "pit" was enjoyed. High score was made by Miss Margaret Pardon.

The invited guests included Miss Alma Pardon, Mrs. Arthur Owen, Mrs. J. W. Dutton, Mrs. Ronald DeRiemer, Miss Margaret Pardon, Miss Leah Pardon, Miss Helen Fischer, Miss Marie Maier, Miss Martha Meyer, Miss Henrietta Felz and Miss Bessie Mock. At 10:30 o'clock they were joined by Joseph Walsh, Arthur Owen, Langley Meredith, Ronald DeRiemer and W. S. Gamble, and refreshments of sandwiches, cake, cocoa and other good things were served.

Hi-Y Members, Group No. 2, Enjoy Gathering

The members of Group 2 of the Glendale Hi-Y association met last night at the social hall of the First Methodist church in what proved to be the most interesting gathering in the history of the organization. The entire membership, in addition to group leader G. Edwin Murphy, was present to take part in bestowing the initiatory degree upon Ronald West, Chester Green, Norman Begg and Newton McGillis.

Following the first part of the initiation, in which the candidates were subjected to a series of more or less "playful hazing stunts," all of the regular members climbed into a large wagon and directed the quartet of beginners to take them for a joy ride through several of the main thoroughfares of the city. Instead of using a whip on the "beasts of burden" the "slave drivers" used a box of ripe tomatoes as an incentive to urge them onward.

The unique procession, which attracted the attention of several hundred passers-by during its brief course, was concluded on Orange street opposite the circus grounds, where the party broke up and the merry-makers adjourned to the home of Cecil Wilson, 126 South Louise street. Here they were served with a variety of refreshments, following which the newly-made members adjourned to their homes with the satisfaction that they were real "Hi-Y-ites."

At a short business meeting of the Group held prior to the initiation the following members were chosen to represent the organization at the state Hi-Y convention, which is to take place at Santa Barbara on November 25, 26 and 27: Cecil Wilson, Neal McIver, Paul Edmonds, Lee Payne, Fred Stofft and Theodore Haig.

Following the decision by the members to enter the Southern California Hi-Y basketball league, Fred Stofft and Fred Hand were selected to attend the basketball committee meeting at South Pasadena next Saturday.

Prayer Week to Start Sunday; Plan Service

Rex C. Kelley, Y. M. C. A. secretary for Glendale district, has received a communication from the Y. M. C. A. headquarters announcing that Prayer Week will begin next Sunday, November 13, during which all the associations in the United States and Canada are asked to unite with the World's Alliance Y. M. C. A. that special emphasis may be given in prayer for the work of the Y. M. C. A. and the upbuilding of the mental, moral and physical side of the young man's life.

In the observance of the week here last year a Boys' Sunday and mass meeting was held, and this year plans are being made by the churches to co-operate in holding meetings. Rev. V. Hunter Brink of the Central Methodist church has announced to Mr. Kelley that a "father and son banquet" will be given at the church Wednesday night, November 16.

Plans are also being made for holding special services in other centers and W. A. Horn, 221 North Louise street, will speak in the Burbank Methodist church Wednesday night of Prayer Week, on the subject of "The Value of Christian Leadership for Young Men." Other young men from Glendale will speak in the Burbank Presbyterian church on the value of Y. M. C. A. work.

Their visit was for the purpose of presenting to the school a beautiful picture from the association which will be given each month to the class having the largest increase in membership for that month. This increase is based on the number of pupils in the class. The picture was given this month to Miss Gladys Sharpe's class.

JURY'S VERDICT IS FATAL COLLISION UNAVOIDABLE

Flagman Is Not to Blame for Death of Wesley Reeves, Testimony Indicates

An inquest into the cause of the death of Wesley Reeves, who was killed early Friday night in a grade crossing accident, was conducted yesterday afternoon at the parlors of the Connell Undertaking company, 1239 South Hope street, Los Angeles, by Coroner Frank A. Mance.

The jury reached the verdict that Mr. Reeves came to his death from "concussion of the brain and other injuries in an unavoidable collision between an automobile and a Southern Pacific railroad train."

The flagman, John Wesley Dorham, 973 El Paso street, Los Angeles, testified that he tried to signal the driver of the auto, M. L. Ogden, but that he was passed right by. He stated that he had a red lantern in one hand and a white one in the other when the machine approached the crossing.

Says He Saw Flagman

Godfrey D. Etter, 445 Angelina avenue, Burbank, testified that he was driving an auto about two feet behind the one to which the accident occurred and had seen the flagman at the crossing.

The engineer of the train, Ralph Penfield, 210 South Gardena avenue, stated that he had applied the emergency brakes in an attempt to avoid the accident. His testimony was corroborated by his fireman, Lawrence B. Crawford, 162 South Rio street, Los Angeles. The jury concluded that the train was traveling within the speed limits of the district.

The two survivors of the accident, M. L. Ogden, 501 West Colorado street, and Samuel Bronnenberg, 214 West Harvard street, are still in the Glendale Sanitarium and Hospital.

W. Hagen, D. L. Suits and A. T. Cowan. Mr. McCourt made the motion to organize the first-class council which will require a budget of \$4,000 a year and Mr. Wattles seconded the move.

SHEESLEY SHOWS AT LEGION CARNIVAL ARE SATISFYING

Courteous Treatment One of Features; Varied Amusements for Crowds

By THE ROUNDER
Everybody seems satisfied that the Glendale American legion carnival is the great success from the standpoint of entertainment that has been promised. The Sheesley Shows come as strangers to Southern California, yet it is pleasant to recount that they bring the highest class of amusements to be seen on any midway.

John Sheesley, their owner, is a modern showman. He knows that a carnival must either be the best or be hated. So it is that he has associated with him a disciplinarian group of executives who have personal interest in each and every show and see that it is of a moral tone suitable for all classes.

Excellent Treatment
The usual run of concessions are to be found at the carnival, but if you are not treated courteously it is likely your own fault, and if not, Mr. Sheesley, or the American legion men will make it right. On the other hand the public is met more than half way. The minimum admission is charged to the various amusements and the rides are equal to those to be found in any pleasure park or pier. The wild animal circus is free, the war relic exhibit is free and something special should be said here about the latter, inasmuch as the lions and leopards are described elsewhere. MacGregor & Aseline are the owners of one of the most interesting and educational displays of world war curios you would care to see. Both are wounded Canadian veterans.

Sure, She Can Ride
Olive Hager at the motordrome is another attraction which is 100 per cent. That little woman can ride a motorcycle like the streak of blue fire you see. Her race with Captain Hay in his motorcar provides a thrilling climax to a spectacular performance.

The Jaunty girls presented by "Bobbie Burns" Murray is one of the few shows of its kind in America. The refined way in which lithesome limbs are displayed and cute comedy is purveyed positively assures everyone of diversionment different from what some might expect and others reject.

Southern songs and dances and daisy music may be seen and heard at the minstrel show, one of the old carnival stand-bys. You will like it like the rest and when you have seen the city from the ferris wheel and had a whirl on the merry-go-round and hugged your honey tight on the Whip, it will be time to go home to come again another night.

P. C. Brown Declares Homeseekers Flock Here in Big Numbers

"Busey is no name for it," says P. C. Brown, manager of the Glendale Realty company, 131 South Brand boulevard. "We have been so busy we haven't had time to get out the monthly report as yet. Every day there's a bunch of homeseekers in here and they flock around the desk like an information bureau in a railway station."
"Glendale is growing, we've said that so much and heard it so much that it sounds rather trite, but frankly I never saw anything like it. With all the business depression in the United States in general, Glendale has not been touched, and I don't think it is going to be touched."
"Our monthly report, which will be ready in a few days, will show that this company is doing in bringing good citizens to Glendale."

Merriken of the real estate firm of Wilkin & Merriken, 123 South Central avenue has sold his property at 429 Ivy street, consisting of a lot 50x150 feet and a six room house to Joseph Peacock, the consideration being \$4,500. PUBLIC DEBT IS REDUCED

WASHINGTON, D. C., Nov. 8.—The gross public debt was reduced by approximately one half billion dollars during October, according to an announcement by the treasury department. The gross public debt on September 30 was \$23,924,108,125 and on October 31 it was \$23,459,148,496. The reduction was due to a decrease in the operation of treasury certificates.

LOANS TO AID MARKETING

WASHINGTON, D. C., Nov. 8.—The War Finance corporation announced the extension of loans amounting to \$1,500,000 for the purpose of aiding the marketing of agricultural and live stock products. Included in the loans was one of \$300,000 to a co-operative association in California to aid in the marketing of canned fruits and vegetables and a loan of \$367,000 to banks in Kansas.

REDUCTIONS ARE APPROVED

WASHINGTON, D. C., Nov. 8.—The federal reserve board has approved reductions in the discount rates in eight of the twelve federal reserve bank districts. The reductions approved were as follows: Chicago and Kansas City from 6 to 5 per cent; New York, Philadelphia, St. Louis and San Francisco from 5 1/2 to 5 per cent; Richmond and Atlanta from 6 to 5 1/2 per cent.

Captain Hart Risks Life to Provide Thrills for Folk at American Legion Carnival Shows

CAPTAIN HART, FEARLESS LION TAMER

You have had thrills, but there is always another.

One of those "second" thrills is registered at the Sheesley Shows wild animals circus, which you see free by the way, at the American legion carnival grounds, Harvard and Orange streets.

While Captain Hart enters the ring with four of the fiercest lions claimed by any circus he is actually doing more than taking his life in his hands. He is laying his life in the hands of the man outside of the steel cage who holds the revolver with the leaden bullet.

Only a whip and a blank cartridge pistol is provided Captain Hart. The black maned lion lacerated the left side of his face at Pasadena. It killed its regular trainer in Salt Lake City four weeks ago.

Captain Hart is not alone in facing danger for your amusement. The Princess Tessie toys around with some trained leopards in a way that makes the women of the audience shudder. Trick horses, performing bears and a kicking mule add to afternoon or evening's entertainment.

Indeed, it is worth the price of admission at the gate.

Whirlwind Finish in Queen Contest; Polls Close Tomorrow Night

With only thirty-six hours in which to work when this is written, the American Legion queen contestants look forward to a whirlwind finish tomorrow night at 10 o'clock that should bring all Glendale to the carnival grounds to see the coronation ceremony.

Any one of a half dozen young women may win the contest and if you haven't voted for your favorite, now is the opportunity time.

The official standing of American Legion queen contestants is as follows:

Miss Viola Yorba	39,425
Miss Dorothy Morton	37,950
Mrs. Warren Roberts	26,475
Miss Winifred Sternberg	22,800

Evening News Boys Guests at Carnival; Any Good? Hot Dog!

Carrier boys for The Glendale Evening News were guests of the management of the Sheesley Shows last night and one of the lads, they call him "Red," became so enthusiastic that he composed the following:

By "RED," THE NEWSBOY

Say Skinny you oughta been there! Where? Why the Sheesley Shows of course. The whole bunch what deliver papers for The Glendale Evening News went last night. There was a guy in the front office that pinned tags on us, we wasn't so keen about him, but pretty soon along come a tall guy that owned the show and he was a regular guy.

We lined up on Harvard street and this regular guy told us to stay in line and not forget our places, but I was lookin' at the gate to the show grounds, all covered with lights 'n' everything and I forgot where my place was. Gee I betcha that gate cost a million dollars.

The first thing we done was to break them ponies on the merry-go-round to ride, and then come a thing they call "The Whip" and maybe you played crack-the-whip. Well this is like it only worse than that. You get in a boat and slide around on a greased floor and when you turn the corner oh golly you lose your breath and before you know it there's another corner to turn.

Then we seen the minstrels and then we went in and seen the auto races and the motor cycle races where they ride around on the inside of a wall. Golly, if I had a wall like that and could ride like that I betcha I'd ride all the time. And then we seen the wild animals. They had lions, real ones, and leopards 'n' everything. And they had some bears, too; some was black and some was blacker. You oughta seen em tryin' to ride a mule, some men I mean—not the bears. Well, that mule just jumped up and kicked and every time a guy would get on him he'd get sent outta the animal show everything was closin' up; they was hanging curtains on everything, and I began to wonder where I'd left my bicycle. Wish I owned a show like that; I'd go every night. Say Skinny, you oughta been there!

When we come outta the animal show everything was closin' up; they was hanging curtains on everything, and I began to wonder where I'd left my bicycle. Wish I owned a show like that; I'd go every night. Say Skinny, you oughta been there!

IS OPPOSED TO ASIATICS

VICTORIA, B. C., Nov. 8.—By a unanimous vote the provincial legislature passed a resolution calling on the lieutenant governor of the province to request the Dominion government to prohibit the entry of Asiatics into British Columbia. The resolution requested that the Canadian immigration act be suitably amended, "keeping in view the wishes of the people of British Columbia that this province be preserved for people of European races."

KILLINGS JUSTIFIED, CLAIM

WASHINGTON, Nov. 8.—Many native Haitians were killed by American troops, or native gendarmes, under command of American officers during the American occupation of Haiti, but the killings were usually justified and proper, the special senate committee investigating the American administration in Haiti was told by Lieut. Col. A. O. Williams of the United States marine corps.

Break Prohibition Laws

SAN FRANCISCO, Nov. 8.—Jail sentences were meted out by Federal Judge Dooling to Albert C. Morrison, manager, and V. E. Lardi, head waiter of Teclau Tavern, a well-known local cafe, who were jointly convicted of having violated the prohibition laws. There was no alternative fine and each must serve six months. Bail was fixed at \$4,000 pending appeals. Richard Bucking and John Antonetti, waiters, who entered pleas of guilty, were sentenced to serve four months each in jail.

Hot Municipal Election

SAN FRANCISCO, Nov. 8.—One of the warmest civic elections in recent years was to be decided here today. A large field is seeking election as supervisors and the contest for these positions has been hot.

Thousands Visit War Craft

SAN FRANCISCO, Nov. 8.—The officers and crew of the Italian cruiser Libia were being feted by the Italian colony here. The cruiser was welcomed when she entered the bay by a float of fishing boats. It was estimated that 10,000 persons visited the vessel and at one time police were forced to use their clubs to prevent those on the pier waiting to go on board being forced off into the water. Several women and children were injured in the crush. The Libia is to remain here two weeks. She has an enviable war record.

Inquiry Over Man's Death

SACRAMENTO, Nov. 8.—An investigation was under way here today of the death of Ernest F. Beal, former local bank employee, who died at a local hospital from fracture of the skull resulting from a heavy blow. The blow, police learned, was received in an affray a week ago following a traffic argument. A. G. Tate was to be questioned.

Prisoners Seek "New Life"

SAN FRANCISCO, Nov. 8.—It was learned today that Dr. L. L. Stanley, resident physician of San Quentin prison, who has perfected a method of glandular treatment in which a hypodermic injection of a specially prepared serum takes the place of the former goat gland operation by incision, has a waiting list among the prisoners at the big penitentiary far in excess of his ability to treat. To date, he has treated more than 600 with marked results. Dr. Stanley has evolved his serum and method of hypodermic injection after long experimentation. He first used human glands from the bodies of executed men but found that goat glands answered the purpose quite as well.

Railway's Request Is Granted

SAN FRANCISCO, Nov. 8.—The San Diego Electric Railway company was authorized by the railroad commission to take the proceeds from the sale of \$577,000 of its 5 per cent general first Lien sinking fund bonds to reimburse its treasury and finance in whole or in part construction expenditures incurred on or before September 30 of this year. The effect of the order, it is pointed out, will be the substitution of bonds for the indebtedness incurred by current liabilities.

tion expenditures incurred on or before September 30 of this year. The effect of the order, it is pointed out, will be the substitution of bonds for the indebtedness incurred by current liabilities.

Originally the company asked the approval of \$970,223.73 of construction expenditures. The propriety of a number of items was questioned by the commission and the application was thereupon amended and the present authorization applies only to expenditures properly chargeable to capital account.

Big Illicit Still Is Raided
SAN FRANCISCO, Nov. 8.—Two fifty-gallon electric stills, 4,000 gallons of mash and 100 gallons of finished bootleg product were part of the seizure made by prohibition agents in a raid on a house at Menlo Park at which was located the largest illicit distillery found on the Pacific coast to date. Five 1,000 gallon mash tanks indicated the scale on which the plant operated. Bottles and labels for turning out any sort of liquor desired were part of the plant. H. F. LaPeer was arrested as the alleged owner. LaPeer recently representing himself as a millionaire operator tipped the prohibition officers off on another ring operating in this region.

Never climb a mountain till you come to it—then perhaps it won't be there.

MEEKER HOME IS RETAINED

As was stated recently in the
Glendale Evening News, the Meeker
ranch on East Colorado and also the
acreage adjoining has been sold by
the Fitz realty firm to Thorp
brothers of Minneapolis for subdivi-
sion. However, the Meeker resi-
dence and one acre of ground, in-
cluding a 250-foot frontage on Colo-
rado street, will be retained by Mr.
and Mrs. R. W. Meeker.

Mrs. Meeker states that Thorp
brothers first learned of Glendale
through the Meeker ranch. For sev-
eral years past the fruit stand and
ranch has attracted considerable at-
tention of the tourists passing on
Colorado street, many of whom have
there been given their first opportu-
nity of picking oranges right off the
trees. Many of these tourists were
from Minneapolis, and it was in this
way that Thorp brothers first learned
of Glendale, and which, incidentally,
led to the sale of this large acreage
for subdivision.

PENNSYLVANIA FOLK AT PICNIC FORM ORGANIZATION

Dr. F. M. Collier Named for First President; Member List Remains Open

A very delightful picnic was held last Saturday at Echo park by the Pennsylvanians of Glendale and vicinity, to the number of more than 100. At 1:30 o'clock the tables were "groaning" under the heavy burden of good things to eat and after a blessing by Rev. W. R. Mottern, young and old "fell to" and ate heartily of the good things provided. The coffee was made and served by W. H. Reynolds, an artist who has acquired much skill in this line.

After dinner the people were arranged in groups and a picture was taken by the official photographer. Then the seats were arranged in order, and a program was rendered, as follows:

Folk songs and community singing.

Address of welcome by Dr. F. M. Collier, chairman of the committee of arrangements.

Original poem by Rev. W. R. Mottern.

Reading by Mrs. J. F. Daugherty. Chorus singing.

Reading by D. F. Reynolds. Chorus singing.

Reading by Mrs. J. F. Daugherty. Chorus singing.

Officers Are Chosen

At the close of the program, N. W. Andrews was called to preside and a permanent organization was effected, called the Pennsylvania Association of Glendale and Vicinity. The officers elected for the coming year are:

President, Dr. F. M. Collier.

Vice-President, Rev. W. R. Mottern.

Secretary—Neil W. Andrews.

Treasurer, Mrs. J. Morgan Fife.

Executive committee, Mrs. W. R. Mottern, W. H. Reynolds and A. J. Malarky.

There are still many persons who have not yet registered, and it is desired that they will do so, as other events will be planned during the winter. The directory is at the office of Dr. F. M. Collier, 125 1/2 North Brand boulevard.

It was decided to hold a picnic at Echo park the first Saturday of November each year.

When the business was finished, the people scattered, many going to see the swans and the ducks, and the pond of many colored lilies.

The occasion was most delightful and successful and everyone went home happy.

VAUDEVILLE SHOW

AND PICTURE FOR

GLENDALE BILL

Story of Small Town Boy in a Big City Screen Feature for Tonight Only

Johnnie Walker and Edna Murphy, two talented young screen players, possessing exceptional charm and personality, will be seen at the Glendale Theatre today only in "Play Square," the story of a man's regeneration, from the pen of Jack Strumwasser. The picture was directed by W. K. Howard.

"Play Square" is the story of a small town boy who, when he comes to the big city, succumbs to evil influences about him, and becomes a thief. Brought before a judge, who had known his family and still has faith in him, the judge sets out to reclaim him, and is successful—largely through the boy's great love for his mother and for a little country girl.

Vaudeville Program

Heading the vaudeville bill today will be "Evol and Clare" in a melange of songs, dances and syncopation. This act is a gem with a surprise finish that will create a sensation.

Bert Herbert, that singing and dancing comedian, will entertain with some clever stories and comic sayings, interspersed with the latest New York song successes. Built on comedy lines this artist will register a hit with his up-to-the-minute material. The Orpheum Trio from eight weeks at Pantages adds more melody and mirth to the bill.

"Paula," the world's greatest woman accordionist playing the latest in classic and rag numbers, is conceded to be the best artist in her line. Mae McCrea will entertain with some of her own original singing numbers and a line of comedy chatter with a punch that will register the act as a laughing hit on this very versatile program.

MORE LIGHT IS WANTED

"It wouldn't hurt any to have better street lights along here," admitted H. E. Graham of the Triangle garage, southern Glendale, yesterday afternoon, after some cogitation. However, he called attention to the fact that the business block on South San Fernando Road already has a few street lights.

ROLL DOWN HILL, MY BOY!

If a wheel came off the rear axle while an automobile was on a hill, where would it go? William Letton, who lives in Verdugo, was coming to work at the Bentley-Schoeneman-Lumber company, 460 West Los Feliz road, Saturday morning when this happened. He had to telephone the Tropico Garage, 410 West Los Feliz road, to go out and find the missing wheel because it had rolled down the road about a block. "It was a joke Saturday and Sunday," remarked J. E. Daugherty of the Tropico Garage. "So many accidents! Nothing but wrecks brought in here!" C. M. Meech, his partner, declared, "It seems to run in spells that way."

WASHINGTON, D. C., Nov. 8.—The apparatus by which President Harding's armistice day speech will be heard in New York and San Francisco was given a successful trial demonstration. The wires were hooked up clear across the continent. An employee of the American Telephone & Telegraph company in San Francisco read into a transmitter a part of President Harding's inaugural speech. The sound was thrown into the amplifiers at Arlington amphitheatre and could be heard distinctly for considerable distance around the great structure.

FEAR 11 FISHERMEN LOST

ANGLESEA, N. J., Nov. 8.—Eleven fishermen were believed to have been drowned when their boat overturned in a strong wind off this shore. Four bodies have been recovered. The men went out in the fishing boat to pull up stakes to which nets were attached. The boat was later washed ashore and the four bodies were found at widely separated points along the shore. Searching parties are looking for the bodies of the other seven men, who were believed to have perished.

PACIFIC SPORTS SERVICE

If the plans now being formulated in Seattle are brought to a fruitful issue, the Pacific Northwest will be the strongest rowing center on the Pacific coast. An effort is being made to form a rowing club at Seattle and enter crews in the various races for the international championships next season. With former varsity oarsmen from the University of Washington to draw from, it is quite possible that Seattle will produce a strong set of crews. This announcement with the announcement a few weeks ago that Reed college of Portland would probably enter crews in the Northwest association regatta next year shows the great stimulus rowing is receiving in that section of the coast.

The Northwest association is at present composed of clubs in Portland, Ore.; Coeur d'Alene, Idaho; Vancouver and Victoria, B. C. With Seattle in the fold and another set of crews in Portland rowing for 1922 is in for a big boom. If the Seattle plans are brought to a successful issue, it is possible the 1922 northern championships will be rowed in Seattle in order to encourage the club in its efforts.

There is a rumor going around Vallejo, Calif., that the old timer, "Ping" Bodie, is to be seen once more in the ranks of the Pacific Coast Baseball league next season. Just what club wants the old timer is not known. In his day Ping was the

champion home run clouter of the coast league—that was plenty of years ago.

Indoor baseball has not yet struck the colleges of this Pacific coast, but it is going big back east and intercollegiate contests in the sport are played by many colleges. The University of Ohio is the latest to adopt the game and a league has been formed composed of fraternity houses, boarding houses and other institutions on the campus. To date, the interest is so great that several leagues will have to be formed to play off the schedule and the winners of each league will then play off for the college title.

The first of the big modified marathons on this coast is scheduled to be run at Sacramento on Thanksgiving day. The race is an annual event promoted by the Sacramento Union and is of general coast-wide interest. The event has been an annual fixture for a great number of years and besides growing in the number of entries each year is steadily becoming a coast-wide classic of importance. This race is open to any amateur runner under A. A. U. rules. Entries are invited from all sections of the Pacific coast. Valuable prizes are always given to the winners. Full information on the race can be had by communicating with Winn J. Custer, Sports Editor The Union, Sacramento, Calif.

The WORLD OVER

By FRANKLIN B. MORSE

PACIFIC SPORTS SERVICE

NEW YORK, Nov. 8.—That Chas. Paddock, the champion sprinter of the University of Southern California, is not likely to abide by a decision given out by him not long ago to the effect that he had retired for all time from competition, is evidenced in a letter recently received here by Hugh A. Hirshon, chairman of the athletic committee of the Wilco Athletic association. Hirshon invited Paddock to compete in a series of three sprints to be run on February 18, 1922.

In his letter Paddock stated that it had been his intention to enter Princeton university this fall in order to take a post graduate course in English. Circumstances had arisen that prevented him from coming east at all this year. However, the Californian stated he hopes everything would adjust itself so that next year he might find it possible to compete in the east, something he had been anxious to do.

A distance runner who is attracting much attention here is Willie Kelly, the Knights of St. Anthony club middle distance runner and former national junior 600-yard champion. He opened the eyes of close followers of athletics by carrying off first honors in the first two races of a series of distance races for those athletes who have never won a prize at a distance over one mile. The third race of this series will be held next Saturday, while the fourth and final is slated for Thanksgiving Day.

On the strength of his showing in the first two races Kelly is looked on to make a clean sweep of the series, unless some new and unexpected star upsets the dope. These races are over the three-mile route.

Kid Williams, former bantamweight champion of the world, isn't saying very much, but he is taking on quite a number of fights in New York and there are a number who think the little fellow is trying to work himself into a "comeback." A few nights ago he went twelve rounds with a youngster named Mickey Brown, whom he easily defeated at the Broadway Sporting club. Williams had the best of every round, scoring repeatedly to head and body with telling effect so that Brown was a mighty tired boy at the finish.

Brown university, at Providence, R. I., expects to make some noise during the coming season in the swimming world, and it is figuring on turning out a team which they expect will be the one other universities will have to beat in order to win the national intercollegiate championship title. Its team, considered high in the rating last season, will lose only Fitzgibbon. Davy Jones, who last year shattered the intercollegiate record for the 100 yards by covering the distance in 55 3-5 seconds, and Gordon Smith, holder of the New England title in the 200 yard swim, are counted on as principal point winners.

In the Referee's Corner

by Jack Veiock

International News Sporting Editor.

NEW YORK, Nov. 8.—If Benny Leonard doesn't grow a beard and commence hobbling around on crutches some of our ambitious, present day lightweight contenders will curl up and blow away without getting any nearer to the lightweight title than they are right now.

Two of the best—Kansas and Tendler—possessed punches at each other in a red hot battle at the Garden a few nights ago for the right to meet Leonard. When it was over—and it was a corking bout, at that—Kansas was declared the winner. Well, he won it by a slight shade and the decision was popular, but—

In the ninth round Kansas had Tendler weaving like a soused-up sailor, and lacked the ring generalship and aggressiveness to go in and finish him.

In the fourteenth Tendler had Kansas going and hit him with every thing but the building, but couldn't finish him.

What about it? Simply this. Leonard would have sent the fans away saying: "A dollar a dozen for that kind of chance to put an end to that bout. You simply can't get away from it. Kansas and Tendler are good boys. So are Richie Mitchell, Charley White, Willie Jackson and some others. But there's a long gap between the best of 'em and the champion.

Freddie Welsh saw the Tendler-Kansas go from a back seat.

"Oh, Boy," murmured Welsh. "Why wasn't I born seven years later? I would have been mortified if either of them could have laid a glove on me when I was good."

HERE'S ONE GOOD IDEA

LONDON—A Chinese reform association, which is petitioning the Shanghai municipal council to make the road regulations more severe, asks that chauffeurs found guilty of killing pedestrians should be locked in a room with the wax image of the person killed.

The flea can hop over an obstacle 500 times its height. If man were capable of leaping in the same proportion, he could easily hop over a mountain 3,000 feet high.

Richard Barthelmess

Featured in Picture on T. D. & L. Screen

George Fitzmaurice's Paramount production of "Experience," featuring Richard Barthelmess, comes to the T. D. & L. theatre Wednesday and Thursday. The story is allegorical and deals with the adventures of a youth who goes to the city to make his fortune and who meets with temptation, ignores opportunity and, giving way to pleasure, fails miserably. But love who has followed him, beckons him home again where he finds happiness and the love he had ignored. The picture is quite charming and a reminder of "Everywoman" in treatment. Richard Barthelmess is the featured player and others in the cast are John Milten, Marjorie Daw, Edna Wheaton, E. J. Radcliffe, Betty Carpenter, Kate Bruce, Nita Naldi and Lilyan Tashman. The picture constitutes a veritable fashion show and the scenic investiture is of the richest description. It is well worth seeing.

Wednesday is benefit day for the Boy Scouts.

Charlie Chaplin's "The Idle Class" and Rex Ingram's "Hearts Are Trumps" close their engagement tonight.

GATHERING DATA ON ARMY

WASHINGTON, D. C., Nov. 8.—Although the war department is gathering data on the matter of land disarmament, it is not the purpose of the United States to present any plan for land disarmament to the conference on the limitation of armaments, Secretary of War Weeks said. The secretary said that he could not predict what course this nation would take if the matter were brought up in the conference.

"Our army—about 150,000—is about as low as it can go. We need it for police duty if nothing else," the secretary said.

CONFESS TO MANY THEFTS

SEATTLE, Wash., Nov. 8.—Roy Kennedy, Ralph Hellenbeck and L. Triplett, all 20, face grand larceny charges today for alleged looting of fifteen Seattle homes. Hellenbeck and Triplett confessed to house robberies to city detectives, it is asserted, and admitted that they had been implicated in numerous Portland robberies. At least twenty suitcases full of jewelry, trinkets, leather and silk goods were found in the room occupied by the trio in a downtown hotel, police claim.

LIBERTY BONDS ON RISE

WASHINGTON, Nov. 8.—Liberty bonds are due for a rise upward nearer parity as a result of government financing and other developments in money markets of far-reaching importance, experts agreed today. Money conditions are rapidly becoming easier. Easing credit conditions in all parts of the United States have forced another slash at the rediscount rates of the Federal reserve banks.

Italian Tenor Says We Have No Champs

PARIS—According to Manfredo Polverosi, an Italian tenor, just back from New York, there is no such thing as an American boxing champion. They are all Italians. Recently Polverosi stated that Dempsey was an Italian and that his name was Densi.

Now he charges that all other American boxers are really Italians, who emigrated to America years ago, as they could find no outlet for their boxing abilities in Italy. Thuse Pete Herman, bantamweight champion, comes from Italy, and his correct name is Pietro Gulotta. Johnny Wilson, middleweight, hails from Naples and was known there as Joseph Panico. Ernest Rice is in reality Riso Ernesto. Flynn, who fought Dempsey, is also Italian and was known as Chiariglione. Bob Martin was Robert Martini, and Jack Sharkey's real name is Scianca.

Frenchmen are wondering if the Italian tenor will not find that Carpenter was once Italian and had such a name as Giorgio Carpentiero.

POPE WEEPS AT STORIES

ROME, Nov. 8.—Pope Benedict wept as he listened to descriptions of the horrors in famine-stricken Russia. He is contemplating a new appeal to the Christian world to save Russia from death. The Pontiff received in audience Dr. Nansen, head of the international committee for the relief of Russia. Dr. Nansen had called to thank the Pope for his gift of 1,000,000 lire to the Russian fund. During the course of the conversation, Dr. Nansen described for the Pontiff some of the scenes he had witnessed in the starvation zones, and the Pope could not keep back his tears.

BANDITS TAKE AMERICANS

WASHINGTON, D. C., Nov. 8.—Four American citizens, employees of the American Smelting & Refining company, were captured by Mexican bandits near Chihuahua on the night of October 30 and held for 25,000 pesos ransom, according to advices to the state department from the American consulate at Chihuahua. The bandits later released the Americans upon a payment of 5,000 pesos ransom. The report did not give the names of the captured Americans or state who paid the ransom, but officials believe this to have been paid by the employers of the men.

FELLOW CITIZENS of Glendale:

Now Is The Time To Help Our Own!

SALVATION ARMY HOME SERVICE CAMPAIGN IS ON

The lassies who pillowed with their knees
the heads of our dying soldier boys are still
at WAR against the Demons WANT and
WOE.

The money we give will serve the direct in-
terests of Glendale and all of it will remain
in California.

Do you like the Salvation Army work for
our needy, unmarried mothers, orphan
children, tubercular poor in Los Angeles,
etc., etc.? Say it with checks!

Glendale is asked for \$2,500. If you are able, subscribe
to the "100 at \$10 and Over Club," the list of which will
be later published in the paper. Even a DOLLAR will
not be despised; mail it NOW. Checks can be made to
"Chas. H. Toll, Treasurer," and left at First National
Bank or L. A. Trust & Savings Bank at Glendale, or
mailed to "Brigadier C. R. Boyd, Salvation Army Home
Service Headquarters, Glendale."

Approved by Chamber of Commerce; S. Robinson,

man, First Nat. Bank; Ezra F. Parker; Cameron H.

SALVATION ARMY IN CAMPAIGN TO GET NEEDED FUNDS

Sum of \$2500 Being Sought in
Glendale; Indorsements
Given to Project

In launching the Salvation Army
Home Service campaign, for the pur-
pose of raising \$2,500 in Glendale,
arrangements have been made for
checks payable to "Charles H. Toll,
treasurer," and left at the First Na-
tional bank or the Los Angeles Trust
& Savings bank, or mailed to "Brig-
adier C. R. Boyd, Salvation Army
Home Service headquarters, Glen-
dale."

The budget to be raised in Glen-
dale supplements the amount raised
by the various corps and institutions
in sufficient sums to cover the yearly
budget for maintenance and relief
work, which removes the responsi-
bility of constantly raising funds
throughout the year from the offi-
cers whose full time and energy are
needed for the work of the organiza-
tion.

Campaign Approved

On account of a severe accident to
one of the directors, the campaign
has been deferred until now. The
movement has the approval of the
Chamber of Commerce, Spencer
Robinson, mayor; D. H. Smith of the
Los Angeles Trust & Savings bank,
R. F. Kitterman of the First National
bank, Ezra F. Parker, Camer-
on H. Thom, David G. Crofton, J.
H. Braly, Roy L. Kent, Mrs. C. E.
Hutchinson and the Tuesday After-
noon club.

At present the Salvation Army is
maintaining the following institutions
in Southern California: The
True Love Rescue and Maternity
Home, Los Angeles, where 125 girls
and 88 babies have been cared for,
and 80 per cent of the girls restored
to society; the summer camp at Re-
dondo Beach; twenty-two corps for
religious and social work; relief
work in every city where the cause is
represented, prison and jail work,
the Industrial Home for Homeless,
Friendless Men in Los Angeles,
Young Woman's Boarding Home,
free distribution of milk to tubercu-
lar and underfed children; Territo-
rial Headquarters, 115 Valencia
street, San Francisco, and the Lyt-
ton Boys' and Girls' Industrial Home
at Lytton Springs, Sonoma county.

With the exception of the Terri-
torial headquarters and Lytton Boys'
and Girls' Home, the money will be
spent in Southern California.

Harry C. Ells Gets Some Returns Upon Boosting Literature

Harry C. Ells, realty dealer, 300
South Brand boulevard, is beginning
to hear from some of the literature
which he scattered while on his re-
cent trip through the middle western
states. One letter is from A. Pultz
of Larned, Kan., who wants to know
more about Glendale. Mr. Pultz
states that his wife recently made an
\$8,000 investment in California
property and he thinks it is a good
investment. He says he is from Mis-
souri and must be shown Glendale
before he will believe some of the
advantages offered here.

The other letter is from Helgar
Thorson of Detroit, Minnesota, who
is looking for a position and wants
one that will assure him a year's
work. Mr. Ells says he has no em-
ployment bureau but was glad to get
the letter, and is looking for sev-
eral more in reply to the literature he
gave out while on his trip.

A man really in love will never ad-
mit that white shoes make his girl's
feet look larger.

IF BACKACHEY OR KIDNEYS BOTHER

Eat Less Meat, Also Take Glass
of Salts Before Eating
Breakfast

Uric acid in meat excites the kid-
neys, they become overworked; get
sluggish, ache, and feel like lumps of
lead. The urine becomes cloudy;
the bladder is irritated, and you may
be obliged to seek relief two or three
times during the night. When the
kidneys clog you must help them
flush off the body's urinous waste or
you'll be a real sick person shortly.
At first you feel a dull misery in the
kidney region, you suffer from back-
ache, sick headache, dizziness, stom-
ach gets sour, tongue coated and you
feel rheumatic twinges when the
weather is bad.

Eat less meat, drink lots of water;
also get from any pharmacist four
ounces of Jad Salts; take a table-
spoonful in a glass of water before
breakfast for a few days and your
kidneys will then act fine. This fa-
mous salts is made from the acid of
grapes and lemon juice, combined
with lithia, and has been used for
generations to clean clogged kidneys
and stimulate them to normal ac-
tivity, also to neutralize the acids in
urine, so it no longer is a source of
irritation, thus ending bladder weak-
ness.

Jad Salts is inexpensive, cannot in-
jure; makes a delightful effervescent
lithia-water drink which everyone
should take now and then to keep the
kidneys clean and active. Druggists
here say they sell lots of Jad Salts to
folks who believe in overcoming kid-
ney trouble while it is only trouble.

COMMENT THAT'S ALL

Parade Armistice Day
Advertising Like Lather
Snow Falling in East
Yucaipa Valley Booster

By Gil A. Cowan

WHAT promises to be the great-
est parade in the history of
Glendale is scheduled for Ar-
mistice day, Friday, November 11,
when all of the patriotic organiza-
tions of the city will be out in force.
The pageant will review the various
wars from 1860 to date, represent-
ing four generations.

The Chamber of Commerce and
other civic and social bodies are ex-
pected to loom large in the line
while the fraternal organizations
will be second only to the patriotic
orders. In the latter group the
American legion queen and Thorny-
croft veterans will be of especial in-
terest.

It is the request of the committee
on arrangements that no flags be
draped on motor cars, but that they
be flown. In years past it has been
found that grime gathers in the folds
of a flag draped on machines. The
dignity of Old Glory, it is said by
the committee, does not deserve such
desecration, thoughtless as it may be.

Forbes Magazine has a lot of good
advice for the business man. Here
is a recent bit well worth republish-
ing in this growing community:

"I hastened into a barber's shop
the other day and asked if I could
be shaved in five minutes. 'Peep!'
was the reply. The barber quickly
applied the soap. He began lather-
ing and lathering and kept on lather-
ing until I felt sure I would miss
my train. Still he kept on playing his
soap brush. I was saying to myself,
'Why doesn't he quit this process and
get busy with his razor?' That would
have been my way of shaving myself
in a hurry. When he did finally take
up his razor, the job was over in a
jiffy. And I caught my train."

"The incident, for some reason or
other, begged this thought in my
mind: Lathering is to shaving very
much the same thing as advertising
is to selling. If you do enough pre-
liminary work and do it properly, so
that the groundwork has been thor-
oughly prepared, then the resistance
is very greatly reduced and it is pos-
sible either to shave with less trouble
or to sell goods with less trouble. A
good many business men are as fool-
ish as I would have been in trying to
shave myself in a hurry. They don't
use enough advertising before start-
ing to try to get results. They don't
apply enough advertising lather."

Snow has begun falling in the
east. The Adirondacks are all white.
Really chilly thought, isn't it?

And it won't be so very long be-
fore the icy pavements will be taking
their toll back in Sioux Falls or St.
Paul.

The Sheesley Shows which are
playing here this week had the pleas-
ure of seeing snow for the first time
in years at Great Falls, Mont., more
than a month ago.

California surely sounds comfort-
able.

C. H. Smith, president of the Yu-
caipa Valley Chamber of Commerce,
is a visitor in Glendale today. He
is one of the pioneer fruit men and
he is as enthusiastic today as he was
when the great wheat and stock
ranches were turned into orchards.
In the first year of full fruiting
just closed more than 500,000
boxes of apples were shipped, while
cherries, pears and peaches grown
in this favored southern California
valley also are most luscious.

What Mr. Smith is looking for now
is the extension of the Union Pacific
system into the fertile valley. "A
railroad is our greatest need," he
says, "and if the Salt Lake branch
of the Santa Fe from Daggett to San
Bernardino it is more than probable
the new right-of-way will come
through Yucaipa."

TOKIO, Nov. 8.—Practically half
of Japan's budget for the coming
year will go to the support of her
army and navy, according to prelim-
inary figures published here by the
Nichi Nichi. According to these fig-
ures, Japan's total budget will ap-
proximate 1,600,000,000 yen (about
\$800,000,000) and of this estimated
total the figures show that 479,000-
000 yen will go to the support of the
navy and 287,000,000 to the army.

According to the Japanese year
book, Japan's 1920-21 budget totaled
1,319,297,000 yen, indicating that
the estimated budget for the coming
year, if passed, will total nearly
300,000,000 yen greater.

METHODIST BOARD ATTACK

WASHINGTON, D. C., Nov. 8.—
An attack on former Attorney Gen.
Palmer and a number of senators is
made in a statement issued by the
board of temperance, prohibition and
public morals of the Methodist Epis-
copal church regarding beer regula-
tions issued last week by Secretary
of the Treasury Mellon, and based
upon the decision of Palmer "that
doctors may prescribe unlimited
booze." "No one had any respect
for Palmer's decision when he gave
it," said the statement, "and no one
has any respect for it now. It may
be that Palmer could be appointed to
some office again, but unless we miss
our guess, he could not be elected
dog catcher in Podunk."

tired than from being tired.

RELIEF FOR UNEMPLOYED

WASHINGTON, D. C., Nov. 8.—
A bill authorizing a \$5,000,000,000
bond issue, the proceeds being used
in public improvements to relieve the
unemployment situation, was intro-
duced in the House by Representa-
tive Moon, Republican, of Pennsyl-
vania.

FOR FAR EASTERN PROBLEM

WASHINGTON, Nov. 8.—The
United States will urge that the con-
ference on limitation of armaments
take up the questions of Far Eastern
problems and reduction of arma-
ments concurrently. It was an-
nounced at the state department this
afternoon. The administration feels
there can be no laying aside of the
question of armament reduction,
while the Pacific problems are being
discussed, but is inclined to believe
that the two problems can be dealt
with at the same time.
